**FRISCO PUBLIC LIBRARY EXTENDS RENOVATION SCHEDULE;
ANTICIPATES REOPENING ON MAY 12**

(May 7, 2005) The Frisco Public Library is extending its renovation schedule. The library -- which has been closed for renovations since May 1 -- anticipates re-opening for regular hours on Wednesday, May 12. The additional time is necessary to complete installations of electrical and computer components.

The renovations include preparation for self-check stations; more public access computer terminals; and increased shelving capacity for additional materials. These changes are necessary as the library prepares to grow into its new building, currently under construction in Frisco Square and scheduled to open in Spring 2006.

For more information, contact the Frisco Public Library at 972-335-5510 or check out www.friscolibrary.com.
